These may be radio related – your QSL card, QSL cards you have received, certificates, interesting small items, e.g. morse key.

Jigsaws – a number of our members are jigsaw fanatics – bring a jigsaw to swap

Lace and craft items – we have a number of ladies who are expert lace makers and others who have made similar items – did you make something during COVID? Other interests? What else do you do in your life besides amateur radio? You can bring a recipe, a model, a photograph.

Bonnets for Saturday dinner

Alison Alexander, Tasmanian historian, will be speaking at the dinner on Saturday night. She will be giving us some background to the Female Factory that we will be visiting the following day. Please bring a bonnet that would relate to the convict era in Tasmania – you may like to wear this, or bring a doll to wear it.
